RFCs (request for comments)

#674 - Deprecate transition methods*

Deprecate *transitionTo* and *replaceWith* in Routes and *transitionToRoute* and *replaceRoute* in Controllers

#671 - Leaking Details of Built-in Components

Stop leaking implementation details of built-in components and be able to move away from subclassing `Ember.Component` in their internal implementations.

#645 - ember-page-title in blueprint*

Add ember-page-title to the default blueprint for new Ember apps

What to do?

What to do?

- Commenting on issues
- Reproduce bugs/errors
- Iterate on ideas
- PR quickly
- Expect coding iteration
- Follow the buddy system!

What to do?

- Optional - find a buddy
- Choose an issue and comment, OR make an issue and get a volunteer's review (any repo is fair game!)
- Take a break
- Get coding/writing!

Good Luck!

Celebrations!

How did we do?

What next?

- <https://tinyurl.com/ec-2018-survey>
- @jenweber and @locks on Slack
- Be excellent to each other

Obrigado
